

NHBEMS PROTOCOL EXAM INSTRUCTIONS:

FOR CURRENTLY ACTIVE LICENSED PROVIDERS

1. Log in to TEMSIS at www.nhtemsis.org
Username – your license number
Password - your password or license number for first time user
2. Click on Knowledgebase at top
3. Click on your level of licensure on left hand side
4. Click on the exam
5. Take test
6. Click the “Submit” button. TEMSIS will record your grade

FOR NEW AND LAPSED PROVIDERS (in process of licensure)

1. Log in to TEMSIS at www.nhtemsis.org
Username: “applicant”
Password: “applicant”
2. Click on Knowledgebase at the top
3. Click on your level of certification on the left hand side
4. Click on the exam
5. Take Test
6. Click “Submit” button
7. Once successfully completed, print out the exam results, write your name on them and attach it to your completed application – submit to the Bureau of EMS for licensure.

Please Note: Any exam more than three months old will not be accepted for NH Provider licensure. You will be required to re-take the exam if this occurs. This is due to the fact that the protocols may be updated in the time prior to your licensure action.
