All Hazards Type III: Communications Unit Leader Course (COM-L)

This 3-day course trains emergency responders how to be radio communications unit leaders during all-hazards emergency operations during a multi-jurisdictional response. This COML training will qualify emergency responders as lead radio communications coordinators if they possess the necessary prerequisites (***see below**). COML responsibilities include developing plans for the effective use of incident communications equipment and facilities, managing the distribution of communications equipment to incident personnel, and coordinating the installation and testing of communications equipment.

COURSE NUMBER: 10-12-ODP-3

WHEN: Tuesday through Thursday, August 11—13, 2009

TIME: 8:00AM to 4:30PM

WHERE: New Hampshire Fire Academy
98 Smokey Bear Boulevard, Concord, NH

COST: No charge (Lunch is on your own.)

TARGET AUDIENCE: Those emergency responders who possess the following:

- Public safety communications background with exposure to field operations
- Fundamental public safety communications technology, supervisory, and personnel management skills
- Knowledge of local communications and communications systems, frequencies and spectrum technologies, local topography, system site locations including knowledge of local, regional, and state communication plans, and communications and resource contacts.

***PREREQUISITES:** All applicants must submit proof of the following training:

- ICS-100 **and** ICS-200 (**or** H806: NIMS/ICS for the Fire Service)
- IS-700, IS-800 **and** ICS-300.
- Also submit a brief resume describing your background and experience as it applies to the course
(All applications will be reviewed by the course coordinator.)

REGISTRATION:
