The New Hampshire Veterans Home was established in Tilton in 1890 as the Soldier’s Home for Civil War Veterans. One of just four New Hampshire nursing homes to win the 2007 Quality of Life Award from the NH Department of Health & Human Services, the modern facility is home to 200 men and women who have served their country and fellow New Hampshire citizens. The mission of NHVH is to provide high quality, professional long-term care services to the Granite State’s elderly and disabled veterans. NHVH is the only long-term care facility in the Granite State that is dedicated exclusively to veterans.
