

Rochester NH Veterans Council and Dover Riverside Veterans Visit NH Veterans Home

TILTON, NH - On August 27 2009, a large group of members from the Rochester Veterans Council and veterans from the Riverside Rest Home in Dover visited and toured the New Hampshire Veterans Home. They had lunch and socialized with many Veterans Home residents. Norman Sanborn, Sr., President of the Rochester Veterans Council presented a Certificate of Appreciation to the New Hampshire Veterans Home for sponsoring the luncheon for the Dover Riverside Veterans.

The New Hampshire Veterans Home, established in Tilton in 1890 as the Soldier's Home for Civil War Veterans, is one of just four New Hampshire nursing homes to win the first Quality of Life Award from the NH Department of Health & Human Services. The NHVH campus is home to 200 men and women who have served their country and fellow New Hampshire citizens. The mission of NHVH is to provide high quality, professional long-term care services to the Granite State's elderly and disabled veterans. NHVH is the only long-term care facility in the Granite State that is dedicated exclusively to veterans.
