

Dear Families and Friends of New Hampshire Veterans Home Residents,

We would greatly appreciate your feedback about creating a Support Group for families and friends of residents at the New Hampshire Veterans Home.

We believe that by helping you, we can also help our residents-and improve everyone’s quality of life. Even if you do not wish to participate in the support group, your response to the survey is much appreciated as we want to evaluate the need and fulfill it within our Home. Please take the time to complete this questionnaire, which is anonymous unless you choose to leave your name.

More questionnaires are located at the front desk and at each of the nurses’ stations. The surveys can be returned by mail or by dropping them into the questionnaire box located at the front desk. Please feel free to call us if you have questions or additional comments. We thank you for your participation and we look forward to hearing from you.

Thank you for your time, **Kristen Griffin, MSW 527-4812, and Kimberly Michaud, BSW, 527-4432**
