MONEY TRANSMITTER FORM 399-G-AR

2011 NH ANNUAL REPORT - GENERAL INSTRUCTIONS

1. Information provided in this form is aggregated and an analysis is published by the New Hampshire Bank Commissioner in his Annual Report to the Governor and Executive Council. The accuracy of the information is also important because it will be used by the New Hampshire Banking Department ("the department") if assessment calculations are needed.
2. A Money Transmitter who surrenders its license during the 2011 calendar year must file this annual report form, along with a NH License Surrender/Expiration Form, within 15 days from the date the company ceases business in New Hampshire.
3. All Money Transmitters continuing to be licensed in accordance with NH RSA 399-G or whose license expired on December 31, 2011 and who were licensed during any period of time during the preceding calendar year must complete and file this report with the department on or before March 31st of the ensuing year. Because that date falls on a weekend this year, annual reports for calendar year 2011 must be received by the department on or before the close of business on Monday, April 2, 2012.
4. All items on the form must be completed; do not leave any blanks. Reports with blanks are incomplete and will be deemed as "not filed" for purposes of any penalty. If an item is not applicable to business conducted by the licensee, enter "N/A", "none", "O", or "zero".
5. Schedule 1: Information about money transmissions should be provided for transactions made during the calendar year 2011. The figures in the three columns should reflect the company's **money transmissions made by the licensee from all business locations in New Hampshire and from any other location or method, including the Internet, that involved transactions with consumers located in New Hampshire**. Do not double count transactions. The last line on Schedule 1 should reflect only what is actually outstanding (for all types of transactions) on the books of the lender on December 31, 2011.
6. "Gross Revenue" means all revenue from whatever source received by the licensee on NH money transmissions before any expenses are deducted.
7. "NH transactions" include all money transmission business conducted by the licensee and its delegates from all business locations in New Hampshire and also includes money transmission from any other location or method, including the Internet, where the company sold or issued payment instruments or stored value to persons located in NH, or received money or monetary value from persons located in NH for transmission from one location to another location, and all other NH transactions not counted above, such as when revenue is received from a vendor or retailer in connection with NH consumer purchases or transactions, during calendar year 2011.
8. **SAVE YOUR CALCULATIONS.** Work papers used to calculate and compile the information required by this form must be retained and made available when the licensee is examined by the department.
9. This report must be filed if a license was held for a portion of the reporting year and must be filed even if no money transmission transactions were made. The original report, signed under penalty of unsworn falsification pursuant to NH RSA 641:3, must be physically delivered to the department; we cannot accept fax transmissions of reports. Failure to file the annual report or late filing of the annual report results in a statutory penalty of \$25 per day for each day the report is overdue.
10. No fee is required to file this annual report.
11. Information in this report must be provided for the amount of money transmission business conducted by the licensee from all business locations in New Hampshire and from any other location or method, including the Internet, where the company sold or issued payment instruments or stored value to persons in NH, or received money or monetary value from persons in NH for transmission from one location to another location, and all other NH transactions not counted above, such as when revenue is received from a vendor or retailer in connection with NH consumer purchases or transactions, during calendar year 2011.
