

The
Annual Report
of the
BANK COMMISSIONER

169th Edition
Year Ending 2013

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, New Hampshire 03301

Dear Governor Hassan and Council:

Consistent with the requirement of RSA 383:15, I am pleased to submit the 169th Annual Report of the Bank Commissioner, for the calendar year 2013.

Despite challenging national trends, New Hampshire's financial institutions remain stable and supportive of our State's economy. Bank and Credit Union total assets grew 6.9% and 9.0%, respectively, while loan balances grew 11.9% and 12.1%, respectively. Overall, capital positions remain well within regulatory parameters. While further industry consolidation remains likely, the State actually experienced a net increase in chartered depository banks, from 16 to 17 with the conversion of a federally chartered institution to state charter. Nondepository Trust Companies continue to show signs of growth, ending the year with an additional chartered entity, for a total of 26 active companies.

In 2013 there was continued growth in the number of non-depository licensed mortgage bankers (non-banks that fund mortgages) and associated branch offices. Past decreases in mortgage brokers (those that arrange mortgage financing but do not fund mortgages) seem to have slowed to a sustainable level. The number of small loan lenders, which includes payday and title loan lenders, has increased, primarily in the title loan area. The Department has undertaken joint and concurrent examinations with other states and the Consumer Financial Protection Bureau (CFPB), to save time and resources. In addition to fines and restitution resulting from formal enforcement actions, our examination team identified over \$75,000 in overcharges which were returned to New Hampshire consumers.

In addition to the Department's supervisory responsibilities, it serves New Hampshire consumers who are experiencing mortgage foreclosure and other problems, through "hotline" and complaint resolution procedures, and in coordination with the Department of Justice. In the first year of the enhanced HomeHelp NH program, supported with funds from the National Mortgage Servicing Settlement, which increased availability of mortgage foreclosure counseling, over 800 New Hampshire consumers received such counseling, many with demonstrated positive outcomes.

While financial and economic pressures remain for our consumers and institutions, New Hampshire continues to be very well-positioned for sustained growth.

Sincerely,

Glenn A. Perlow
Bank Commissioner
