Docket Nos.

ORDER

These cases were specially assigned to a senior justice. By order dated June 17, 2010, the court stayed these cases because of a lack of funding to compensate the senior justice. Thereafter, the superior court chief justice asked the senior justice to preside at a November 3, 2010 status conference and to adjudicate certain pending motions. The senior justice agreed. Accordingly, by order dated November 3, 2010, the senior justice lifted the stay.

The senior justice has completed the work he agreed to complete. He is unwilling to do further work without compensation. Accordingly, these cases are indefinitely STAYED. The court will lift the stay when funds are appropriated to compensate the presiding justice.

So ORDERED.

Date: January 19, 2011
