MOTION TO DISMISS**

ORDER FOR EVIDENTIARY HEARING

On December 2, 2015, the parties participated in a structuring conference during which the potential need for an evidentiary hearing on Respondents' Motion to Dismiss Based on an Unreasonable Warrantless Examination Under RSA 397-A, was discussed and tentative dates for a hearing were set for February 2 and 3, 2016.

On January 15, 2016, the Presiding Officer granted the Respondents' Motion for an Evidentiary Hearing on their Motion to Dismiss.

On January 19, 2016, Respondents filed a request to continue the tentative dates set for an evidentiary hearing to a date after February 3, 2016, due to a scheduling conflict with another matter. On the same date, the New Hampshire Banking Department filed its non-objection to this request.

Based on the foregoing, the evidentiary hearing in the above-referenced matter is scheduled for February 9 and 10, 2016, commencing at 10:00 a.m. on each day, as necessary, at The NH Banking Department, 53 Regional Drive, Suite 200, Concord, New Hampshire.

SO ORDERED.
