

2017 Floating Beach Wheelchairs

The GCD is pleased to announce that Accessible Floating Beach Wheelchairs are now available in NH!

On July 6, 2017, the generous gift of 5 beach wheelchairs was accepted by Governor Sununu at an event hosted by the GCD in collaboration with NH Parks & Recreation. The Seacoast will have 3 chairs available and there will be 1 at Wellington State Park and 1 at Sunapee State Beach.

Let's go to the beach everybody-
