

New Hampshire Department of Transportation
Bureau of Construction
Contractor Access of State Facility

This form is for the use of Contractors executing NHDOT Project Development Construction Contracts. Fill in the shaded boxes before submitting the form to the Contract Administrator who shall then arrange for a meeting with the appropriate Operations Headquarters Office. Once completed and signed by both the Contractor and the Department's Division of Operations representative, it shall serve as the written agreement to the terms and conditions required for use and entry onto the property of a State Maintenance Facility.
