Re: NORTHERN PASS TRANSMISSION: Exception Requests

Dear Ms. Esterberg:

Enclosed are NPT's Resubmittal of Group 3 Exception Requests 39, 40, 41, 42, 45, 47, 48, 52, 54, 55, 56, and 58. As a result of our checking of the survey data, we have made modifications and additions to the drawings for Exception Requests 39, 40, 42, 52, 56, and 58, and revised the narrative for Exception Requests 39, 42, 52, 56 and 58. All other Exception Requests were not changed. We are resubmitting all of Group 3 in this submission (including the requests that were not revised) so that you have a single package containing the latest versions of the Group 3 Exception Requests to assist with your review process. Please note that omitted exception numbers will not be used.

Please do not hesitate to contact me if you have any questions regarding these matters.

Very truly yours,
