ALEXANDRIA ROAD TO BE CLOSED FOR REPAIR WORK
WEST SHORE ROAD CLOSURE ON 12/8/06 NEAR THE "LEDGES"

The New Hampshire Department of Transportation (NHDOT) announces work on West Shore Road in the vicinity of the "Ledges" in the town of Alexandria on December 8 will require that the road be closed to traffic for several hours.

State NHDOT forces will be replacing boulders that have fallen into Newfound Lake due to the heavy rains this past May.

West Shore Road will be closed to through traffic at the "Ledges" on December 8, 2006 from 7:00 am until approximately 4:00 pm. Traffic will be detoured around the site via NH Route 3A. Variable message boards will be used to alert motorists of the road closure.

The Department of Transportation's Highway Maintenance District 2 will be performing the work.
