PAVING SCHEDULED AT HOOKSETT TOLLS ON INTERSTATE 93
BOTH DAY AND NIGHT WORK FOR A WEEK AND A HALF

The New Hampshire Department of Transportation announces daytime pavement grinding and nighttime paving is scheduled to begin on Tuesday, September 5, 2006 at the Hooksett Tolls on Interstate 93 (F.E. Everett Turnpike). This work is expected to take approximately a week and a half to complete.

This paving work will take place from 700 feet north of the main line plaza through the plaza to 700 feet south of the plaza. Work hours for the pavement grinding will be 9:00 am until 1:00 am for the first two days. The work hours for the paving will then be from 7:00 pm until 6:00 am daily.

Brox Industries of Dracut, Massachusetts is the contractor for this resurfacing project.
