REPAIRS PLANNED FOR SACO RIVER COVERED BRIDGE IN CONWAY
WORK WILL REQUIRE A BRIDGE CLOSURE FOR TWO DAYS – 1/10 AND 1/16

The New Hampshire Department of Transportation announces planned repairs to the Saco River Covered Bridge in Conway on Old Route 16 will require two daytime eight-hour closures to motorists.

This repair work on accident damaged bridge rails is scheduled to take place on Wednesday, January 10 and Tuesday, January 16 from 7:30 am until 3:30 pm each day. During those hours the bridge will be closed to traffic and uniformed officers will be on duty at each end of the bridge to alert motorists to the closure. Concrete barriers will also be used during the closure times.
