I-89 PAVEMENT REHABILITATION IN BOW-CONCORD-HOPKINTON
NORTHBOUND PAVING WORK BEGINS ON MAY 21

The New Hampshire Department of Transportation announces pavement rehabilitation work on Interstate 89 in Bow, Concord and Hopkinton is set to resume on Monday, May 21, 2007 with northbound work between Exit 3 and Exit 5.

This daily work on the northbound lanes will begin around 5:00 AM with one lane closed for the work zone. Traffic will be returned to two lanes after 3:00 PM for peak traffic hours. Motorists should anticipate and plan for some delays.

This project will continue through the summer and fall with more weeks of paving work planned. It involves pavement rehabilitation on I-89 from NH Route 3A in Bow to Exit 5 in Hopkinton.

Continental Paving of Londonderry, New Hampshire is the contractor for the $4.7 million project, which has a final completion date of October 2007.
