NEW LONDON AND NEW LONDON/WILMOT INFORMATIONAL MEETING
TWO PROJECTS ALONG THE NH ROUTE 11 CORRIDOR

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational meeting has been scheduled to discuss two projects along the NH Route 11 corridor.

The first project is at the intersection of NH 11 and NH 114, Crockett’s Corner, in New London. It will improve safety by redefining lane usage, possibly eliminating the eastbound truck lane, and adding traffic calming features.

The second project begins at the intersection of NH 11 and Interstate 89 in New London and continues east along NH 11 approximately five miles to the Wilmot/Andover Town Line. This project is a Federal Resurfacing project that will include paving, and upgrading guardrail and signing.

This public meeting will be held in New London on Wednesday, October 15, 2008 at 7:00 PM at the Whipple Town Hall at 429 Main Street.

The purpose of this meeting is to present citizens and public officials with information regarding the proposed projects, and to solicit public input in order to ensure that project decisions meet public transportation needs, community goals, and protect and enhance the environment. Accordingly, the NHDOT ensures that these projects will be administered according to the requirements of Title VI of the Civil Rights Act of 1964 and all related statutes to ensure nondiscrimination.
