NIGHTTIME INTERSTATE 95 LANE CLOSURES IN HAMPTON FALLS
TO ALLOW FOR THE REPLACEMENT OF TRAFFIC COUNTING SENSORS

The New Hampshire Department of Transportation announces nighttime lane closures are planned on Interstate 95 in Hampton Falls the week of October 19, 2008 to allow for the replacement of traffic counting sensors.

The lane closures will take place between Exits 1 and 2 on Sunday, October 19 and Monday, October 20 in the northbound lanes, and Tuesday, October 21 and Wednesday, October 22 in the southbound lanes. The work will take place between the hours of 7:00 pm and 6:00 am. In the event of inclement weather, Thursday, October 23 will be used as a rain day.

Uniformed officers, cones, and barrels will also be used to guide motorists through the work zones.

Brox Industries Inc. of Dracut, Massachusetts is the prime contractor for the \$1.7 million turnpike resurfacing project.
