

To use the fillable route survey form, right click on **Survey Form (Fillable)** , select save target as, then save the form on your hard drive. You should save the form in a location that you remember, for example “My Documents.” The form must be opened with the latest version of Adobe Reader. If you do not have the latest version of Adobe Reader, download and install from Adobe.com at <https://get.adobe.com/reader/otherversions/> . Open the latest version of Adobe Reader, click file, click open and navigate to the location where you saved the route survey form. After completing the form, click file, click save as, and save the completed form on your hard drive. You should save the form with a filename and in a location you remember, for example filename: “route survey NH 1” in “My Documents.” You can now print the completed form and fax or email to the Permit Office.
