**Minor Revision Approval – Rural Areas**

A report of Administrative Modifications revisions to the STIP for the month of January 2023 was distributed to the Regional Planning Commissions and to our Interagency Consultation partners. As part of the Interagency Consultation Process, it is required an opportunity for questions, discussion, and agreement with revisions is presented to the partners. A meeting was held on January 12, 2023, to finalize and complete this process.

Pursuant to the STIP Revision Procedures adopted by NHDOT and approved by FHWA and FTA, the Department, through the office of the Director of Project Development, has the authority to approve Administrative Modifications to the STIP for the rural areas of the State subsequent to discussion through the interagency consultation process.

Having followed the process outlined in the STIP Revision Procedures, the NH Department of Transportation hereby APPROVES the Administrative Modification revision to projects in the rural areas as outlined in the attached report; January Administrative Modifications (A4.M.1.23).
