Minor Revision Approval – Rural Areas

A report of Administrative Modifications revisions to the STIP for the month of November 2022 was distributed to the Regional Planning Commissions and to our Interagency Consultation partners. As part of the Interagency Consultation Process, it is required an opportunity for questions, discussion, and agreement with revisions is presented to the partners. A meeting was held on November 10, 2022, to finalize and complete this process.

Pursuant to the STIP Revision Procedures adopted by NHDOT and approved by FHWA and FTA, the Department, through the office of the Director of Project Development, has the authority to approve Administrative Modifications to the STIP for the rural areas of the State subsequent to discussion through the interagency consultation process.

Having followed the process outlined in the STIP Revision Procedures, the NH Department of Transportation hereby APPROVES the Administrative Modification revision to projects in the rural areas as outlined in the attached report; November Administrative Modifications (A4.M.11.22).

Title: Administrator, Planning and Community Assistance

**The November 2022 STIP Minor Report (A4.M.11.22) includes a project that is improperly shown that must be corrected before the project can be acted upon. NHDES 42875 (page 7 of 26) incorrectly includes non-participating funds in the report. This project will need to be updated and brought back for future approval prior to obligation of funds. The remaining STIP Minor Revision is approved as presented.**
