RE: March 2021 Minor Revisions to the 2019-2022 TIP

Dear Mr. Watson:

The Strafford Metropolitan Planning Organization (SMPO) staff has received a request to approve the March 2021 Minor Revisions to the approved Strafford Metropolitan Planning Organization's 2019-2022 Transportation Improvement Program (TIP).

**The following information is in the Strafford MPO Prospectus that was revised and adopted on January 19, 2018 at the Strafford MPO Policy Committee Meeting:**

*In the Strafford MPO the Executive Director has the authority to review Administrative Modification and/or Informational Revisions. The Executive Director may request the advice of members of the MPO Technical Advisory Committee to complete this review. The Executive Director may make recommendations to the Executive Committee for their concurrence or non-concurrence with Administrative Modifications and/or Informational revisions and for a procedural change from Administrative Modification and/or Informational Revisions to Amendment. The Executive Director will issue a letter to the NHDOT indicating their decision. Copies of these letters will be provided to members of the TAC and MPO.*

Based on these procedures, the Executive Director recommends the approval of the following Administrative Modifications to the 2019-2022 TIP as proposed.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Czysz". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Please refer to the 2019-2022 TIP document and project listing for detailed COAST transit funding information. NHDOT groups federal funding for statewide public transit in large programs (e.g. FTA 5307); MPOs and RPCs track funding for individual transit providers and projects. Strafford MPO is currently updating its project database and will be incorporating individual project funding for final publication of the 2019-2022 TIP.
