NH Medicaid introduces Managed Care

- In December of 2013 NH DHHS transitioned the state’s Medicaid delivery system from the fee for service model to the Medicaid Care Management Program
  - Not ALL Medicaid clients were transitioned
  - Dual Eligible/ Katie Beckett/ Children with special health care needs/ Children with SSI/ Foster Care/ Native Americans and Native Alaskans were given the option of opting out of care management
  - Spend-down/ Veterans Administration/ Qualified Medicare Beneficiaries (QMB)/ Special Low-Income Medicare Beneficiaries (SLMB)/ Qualified Disabled Working Individual (QDWI) were excluded from Step 1
