Objective:

The motor vehicle control program has the prime objective of maintaining safe and qualified drivers in the provision of Agency services.

Policy:

It is the policy of the (AGENCY X) to thoroughly review all aspects of service-related vehicle operations.

As stipulated in the following procedure this control program shall be initiated during the selection and hiring of staff and shall continue on by way of performance review, motor vehicle record review and in-service education.

Procedure:

Pre-employment

In addition to employment processes required for all AGENCY X applicants, for positions that require the operation of an Agency vehicle or the use of personal vehicles on company business to transport clients as a condition of employment, all employees shall be required to present a copy of a current, satisfactory Motor Vehicle Record (MVR) prior to beginning employment. A satisfactory Motor Vehicle record shall meet the following criteria:

- No more than one (1) moving violation conviction, excluding driving under the influence of alcohol or controlled substance, within twelve months immediately preceding the inquiry/application.

- No more than two (2) moving violation convictions, excluding driving under the influence of alcohol or controlled substance, within the twenty four months immediately preceding the inquiry.

- No conviction within the preceding 7 years of operating a motor vehicle under the influence of alcohol or controlled drugs, leaving the scene of a motor vehicle accident, reckless operation of a motor vehicle, or operating to endanger.

- In addition to the established standards, the Agency insurance company will have the final authority to rule on the applicant’s/employee’s Motor Vehicle record.
**Motor Vehicle Record Reviews**

The Agency will obtain an updated Motor Vehicle Record on each employee (as applicable) on an annual basis, at a minimum. Employees must maintain a satisfactory driving record as described above. Violations in excess of the frequency established will be grounds for disciplinary action up to and including termination.

Any conviction for operation under the influence of alcohol or a controlled drug shall result in the immediate termination of employment.

The following may also result in the immediate termination of employment:

- The arrest, conviction or indictment for leaving the scene of a motor vehicle accident, or reckless operation of a motor vehicle, or operating to endanger.

- Involvement in a motor vehicle accident that has a direct bearing on the driver’s ability to operate a motor vehicle.

- A determination that a driver is an abuser of alcohol, prescription drugs or controlled substances.

**Operation of Company Owned Vehicles or Personal Vehicles While Transporting Clients**

*Employees are required to notify their immediate supervisor of any violation or conviction, whether or not such incidents occur during business hours. Failure to report such violations can be considered grounds for disciplinary action up to, and including, termination.*

The following offense and discipline schedules shall apply to events surrounding the operation of a company vehicle on or off company business or of a personal vehicle while transporting clients. The Agency will apply particular scrutiny to those situations described herein when a personal vehicle is involved while transporting Agency clients:

- Two preventable (according to National Safety council driving standards and confirmed by the accident review committee) property damage accidents in a 12-month period will result in disciplinary action, up to and including termination, but not less than a written warning.

- Two preventable bodily injury accidents in 12-months will result in disciplinary action, up to and including termination, but not less than a written warning.
A conviction within the preceding 7 years for operating a motor vehicle under the influence of alcohol or controlled drugs, leaving the scene of a motor vehicle accident, or reckless operation of a motor vehicle or operating to endanger, unless in the judgment of management the driver’s reputation is such that said conviction is unlikely to adversely affect the applicant’s physical, mental or moral fitness to operate a motor vehicle.

Arrest, conviction or indictment involving the manufacture, illegal transportation, possession, sale or use of controlled drugs.

Involvement in a motor vehicle accident that has a direct bearing on the driver’s ability to operate a motor vehicle.

A determination that a driver is an abuser of alcohol, prescription drugs or controlled substances.
