Route 110 Design Charrette and Workshops

The NH Department of Transportation and the City of Berlin invite you to attend three upcoming events focusing on the impacts of the new Route 110 and Berlin's rich architectural heritage.

Be a part of this neighborhood's transformation!

Design Charrette

Friday, April 29 & Saturday April 30, 2011
Recreation Center, Green Street

Please join us at the Rec. Center (behind the Police Station) to discuss ways to lessen the impact of the new truck route through the adjacent historic neighborhood.

Friday, April 29th Schedule:

- 1pm Public walking tour of The Avenue's neighborhood, leaving from Rec. Center
- 2-4pm Public listening session #1
- 7-9pm Public listening session #2

Saturday, April 30th Schedule:

- 8:30-2:30 Charrette team design session, open to any interested public
- 2:30-4 Public presentation of Team's thoughts

The team of professionals (planners, architects, engineers, and landscape architects) will be examining how best to re-use new spaces created by the project, how to minimize impacts to properties adjacent to route, and improvements such as landscaping and parks.

We will be listening to residents and municipal leaders, and will provide a series of recommendations and illustrations.

Whether you can spare an hour or want to attend it all, we want your input!

“Why This Place Matters”

Public Forum

Saturday, May 14, 2011, 9:30-12:00
Berlin City Hall Auditorium

Lynne Emerson Monroe of Preservation Company will speak on the architecture and history of The Avenue's neighborhood and the ways in which both reflect the lifestyles of residents today.

Learn how porches, stonework and other details help define the neighborhood and how you can help preserve them. Lynne Emerson Monroe, with Frank Whittemore, builder, will explore the *Stories Your Building Can Tell and How You Can Take Care of Its Stories*.

Poof Tardiff will give the audience a chance to share recollections of living in the area and Jeff Taylor will also report on the results of the April Design Charrette.

Organized by NH Preservation Alliance.

Weatherization and Covenants for Historic Buildings Workshop

Saturday, September 17, 2011, 9:30-12:00
Northern Forest Heritage Park

At **9:30am** please join Peter Michaud from the NH Division of Historical Resources as he discusses protective covenants on historic homes in the area, and how they can benefit you!

(For more information please see:

www.nh.gov/nhdhr/programs/easements_about.htm)

At **10:30am**, the NH Preservation Alliance will focus on weatherization and energy efficiency for historic buildings.

Speakers include Berlin native Peter Bilodeau, energy auditor and renovator for 25+ years; and George Turner, AIA, consultant on the preservation of the Littleton Community House and Northern Forest Heritage Park in Berlin.

Original windows? Learn how to winterize properly and efficiently.
