SUBJECT MATTER DISCUSSED

Chairman Chip Noon called the meeting to order at 2:07 PM for the North Hampton 24457 project and took a roll call of the Highway Layout Commission Members present, determining that there was a quorum. Chairman Chip Noon discussed with commission members of the necessity of this project.

Shawn Mickelonis - Question for final design in the event to approve would it be A, B or C?

Matt Lampron – Answered would be the Public Hearing layout for final approval.

Shawn Mickelonis – Question about road impact for bridge closure and detour at what time of year would this be?

Matt Lampron – Timeline for the two-week road closure still needs to be worked out but will accommodate as most practicable. Construction season is April to December.

Shawn Mickelonis – Comment was I'm sure the State will find the right time for this closure.

Matt Lampron – Agreed to this comment.

Chip Noon – Comment as to Durham project road closure for 4 weeks, was more of an annoyance than anything else.

DECISIONS REACHED

Chip Noon Chairman moved to approve the project. Shawn Mickelonis seconded the motion. Chairman Chip Noon called for the vote and the motion carried with a vote of 2-0.

Meeting was adjourned at 2:42 p.m.
