

NEW TOWN CENTER

Help make travel through Pelham better & safer for everyone!

Your Input
Is Crucial!

Attend the Public Informational Meeting conducted by NHDOT and provide input to the improvement of the Pelham Town Center. (Federal funds have been earmarked solely to this location)

The NHDOT has been working on alternatives to improve safety and alleviate congestion through the Pelham Town Center. Local and regional citizen involvement is needed to help identify a transportation solution that improves the traffic operation, while maintaining and enhancing the character of the area.

- Learn more about the Alternatives
- Learn how the fire station is affected
- Learn how traffic flow will be improved

Who should attend? **YOU!** Residents, Business Owners, Community Leaders, Local Officials, Neighborhood Groups

Where is the meeting? **Pelham Town Hall**
Sherburne Hall
6 Village Green

When is the meeting? **Wednesday, December 17th, 2008**
7:00 pm (Preview plans at 6:30 pm)
