

Pelham Town Center Vision Statement

The Pelham town center will be enhanced by changes to multiple intersections, which will make the town center safer and more welcoming to drivers, pedestrians, and bicyclists. These changes will enhance and preserve the small town character, historic setting and community aesthetics. Traffic movement for all approaches through the Pelham Town center will flow at a slow, steady, safe, and efficient manner for pedestrians, bicycles and vehicles.

Gateway treatments will provide an announcement to drivers that they are entering the Pelham Town center. The Town center will become a focal point that has connectivity and amenities, which contribute to a sense of “place”, history, and pride.
