

**REPORT OF THE COMMISSION**

for

**Plaistow-Kingston X-A000/378, 10044E**

PROJECT DESCRIPTION

This project will reconstruct and widen of US Route 125 to a three-lane section to improve safety and access control along the corridor. The project starts about 400 feet north of the NH 125/Old County Road intersection in Plaistow, and proceeds north for 1.8 miles, to the signalized intersection of NH 125/Hunt Road/Newton Junction in Kingston. This project also entails realignment of Kingston Road, Happy Hollow Road and Colonial Road.

This project will impact wetlands and surface waters, and may have an effect on historic resources.

We, the Commission of Three, appointed by Governor and Executive Council on September 23, 2020 of US Route 125 to a three-lane section to improve safety and access control along the corridor. We held our public hearing on May 19, 2021.

We held a public meeting on January 5, 2022 for the purpose of determining a "Finding of Necessity," and find in the affirmative.
