Business Enterprise Tax Credit

Chapter 255 of the laws of 2007 makes changes in the deductibility of the NH Business Enterprise Tax. The law was amended to provide that "...The taxes paid pursuant to RSA 77-E by a member of a unitary business within the meaning of RSA 77-A:1; XIV shall be allowed as a credit against any other individual member's liability under this chapter, ***provided that such other member is also subject to the tax imposed by this chapter....***"

This means that the Business Enterprise Tax generated by non-insurance company members of a unitary group will not be allowed as a deduction against the premium tax paid by insurance company members of a unitary group.

Business Enterprise Tax Forms required for a unitary business:

Members of a unitary business must provide the following forms:

Form BT-SUMMARY

Form BET-WE

Companies not required to file on a combined basis with the Department of Revenue must provide the following forms:

Form BT-SUMMARY

Form BET

Such other forms as are necessary to assess the deductibility of the company's Business Enterprise Tax. The company's filing should be sufficiently complete so as to enable the NH Insurance Department to make a definitive assessment of the propriety of any NH Business Enterprise Tax amounts claimed as a credit against the premium tax liability.

INSURANCE LAW CHANGES FOR CALENDAR YEAR 2006

RE: CHANGES IN RSA 400-A:32 I and II METHOD AND DUE DATE FOR PAYMENT OF ESTIMATED PREMIUM TAXES PREMIUM TAX RATES FOR CERTAIN LINES OF BUSINESS

Chapter 277 of the laws of 2006 changes the method of remitting estimated premium taxes and reduces the premium tax rate for certain lines of business.

- The method for the payment of estimated premium tax has been changed from a quarterly payment system to a 100% prepayment system effective for the calendar year ending December 31, 2007. The law provides that for calendar years ending December 31, 2007, and thereafter, every authorized insurer required to pay a tax in accordance with RSA 400-A:32 I, shall make payment in full of an amount equal to 100 percent of the previous calendar year's premium taxes on March 15th. In other words, the prepayment due on March 15, 2007, will be equal to 100 percent of the premium tax due for calendar year 2006. There will be no estimated payments for June, September, and December for calendar year 2007 and thereafter.

INSURANCE LAW CHANGES FOR CALENDAR YEAR 2005

- **Payment by Electronic Funds Transfer (EFT)**
RSA 400-A:32-b Requires payment by electronic funds transfers in certain circumstances.

Chapter 248 of the Laws of 2005 added the following provisions to the Insurance Code effective January 1, 2006 and following:

"Insurers shall remit taxes by electronic funds transfer according to the following schedule:

- I. When the insurer, or group of insurers, had a tax liability in the prior tax year of **\$40,000** or more, effective January 1, 2006.
- II. When the insurer, or group of insurers, had a tax liability in the prior tax year of **\$30,000** or more, effective January 1, 2007.
- III. When the insurer, or group of insurers, had a tax liability in the prior tax year of **\$20,000** or more, effective January 1, 2008."

Those companies having a tax liability for calendar year 2007 (Page 3, Line 46 of the 2007 life premium tax form) of \$20,000 or greater must remit taxes via EFT. To be considered timely, an EFT tax payment must be deposited into the Insurance Department's EFT bank account on or before the payment due date.

For purposes of this law, "group" is defined as all companies included within the NAIC Group Code.

- **RSA 400-A:32-a Timely mailing provision**
Claims for timely mailing must be supported by "...the post office cancellation mark stamped upon the envelope or other appropriate wrapper..." If the payment is not received or the cancellation mark is "...illegible, erroneous or omitted..." mail "...shall be deemed filed...if the sender establishes by competent evidence that the report...or other document was deposited in the United States mail on or before the due date for filing..."

- **A Pitney Bowes postal imprint does not qualify as a "post office cancellation imprint".**

- **Payment of Annual Statement Filing Fee**
RSA 400-A:36, II provides that "...The insurer shall pay the fee for filing its annual statement as prescribed by RSA 400-A:29 at the time of filing or with the premium tax return, but no later than March 15th." It is requested that companies continue to pay the filing fee with the filing of the premium tax return.

- ***Late Payment Penalty***

RSA 400-A:32 IV “Any insurer failing to file the report required by RSA 400-A:31 or failing to remit the proper tax within the time for filing shall pay a penalty equal to 10 percent on the amount of the tax due.”

Late payment fees shall be assessed. Please note that the word “intentionally” has been removed from the law.
