# CONSUMER GUIDE TO EXTERNAL APPEAL

### **What is an External Appeal?**

New Hampshire law gives individuals who are covered by fully-insured, health or dental insurance plans the right to have a nationally-accredited, independent, medical review organization (IRO), which is not affiliated with his/her insurance company, review and assess whether the company's denial of a specific claim or requested service or treatment is justified. This type of review is available when a recommended service or treatment is denied on the basis that it does not meet the insurer's requirements for medical necessity, appropriateness, health care setting, and level of care or effectiveness. This review is often called Independent External Appeal, **External Appeal**, External Health Review or simply External Review.

### **What are the eligibility requirements for External Appeal?**

To be eligible for External Appeal the following conditions must be met:

- The patient must have a fully-insured health or dental insurance plan.
- The service that is the subject of the appeal request must be either a) a covered benefit under the terms of the insurance policy or b) a treatment that may be a covered benefit.
- Unless the patient meets the requirements for Expedited External Review (see below), the patient must have completed the Internal Appeal process provided by the insurer and have received a final, written decision from the insurer relative to its review.
  - Exception #1: The patient does not need to meet this requirement, if the insurer agrees in writing to allow the patient to skip its Internal Appeal process.
  - Exception #2: If the patient requested an internal appeal from the insurer, but has not received a decision from the insurer within the required time frame, the patient may apply for External Appeal without having received the insurer's final, written decision.
- The patient must submit the request for External Appeal to the Department within 180 days from the date appearing on the insurance company's letter, denying the requested treatment or service at the final level of the company's Internal Appeals process.
- The patient's request for External Appeal may not be submitted for the purpose of pursuing a claim or allegation of healthcare provider malpractice, professional negligence, or other professional fault.

## **What types of health insurance are excluded from External Appeal?**

In general, External Appeal is available for most health insurance coverage. Service denials relating to the following types of insurance coverage or health benefit programs are not reviewable under New Hampshire's External Appeal law:

- Medicaid (except for coverage provided under the NH Premium Assistance Program)
- The New Hampshire Children's Health Insurance Program (CHIP)
- Medicare
- All other government-sponsored health insurance or health services programs.
- Health benefit plans that are self-funded by employers
  - Note: Some self-funded plans provide external appeal rights which are administered by the employer.

## **Can someone else represent me in my External Appeal?**

Yes. A patient may designate an individual, including the treating health care provider, as his/her representative. To designate a representative, the patient must complete Section II of the External Review Application Form entitled "Appointment of Authorized Representative."

## **Submitting the External Appeal:**

To request an External Appeal, the patient or the designated representative must complete and submit the External Review Application Form, available on the Department's website ([www.nh.gov/insurance](http://www.nh.gov/insurance)), and all supporting documentation to the New Hampshire Insurance Department. There is no cost to the patient for an External Appeal.

## **Please submit the following documentation:**

- The completed External Review Application Form - signed and dated on page 6.
  - \*\* The Department cannot process this application without the required signature(s) \*\***
- A photocopy of the front and back of the patient's insurance card or other evidence that the patient is insured by the insurance company named in the appeal.

## **What is the Standard External Appeal Process and Time Frame for receiving a Decision?**

It may take up to 60 days for the Independent Review Organization (IRO) to issue a decision in a Standard External Appeal.

- Within 7 business days after receiving your application form, the Insurance Department (the Department) will complete a preliminary review of your application to determine whether your request is complete and whether the case is eligible for external review.
  - If the request is not complete, the Department will inform the applicant what information or documents are needed in order to process the application. The applicant will have 10 calendar days to supply the required information or documents.
- If the request for external appeal is accepted, the Department will select and assign an IRO to conduct the external review and will provide a written notice of the acceptance and assignment to the applicant and the insurer.
- Within 10 calendar days after assigning your case to an IRO, the insurer must provide the applicant and the IRO a copy of all information in its possession relevant to the appeal.
- If desired, the applicant may submit additional information to the IRO by the 20<sup>th</sup> calendar day after the date the case was assigned to the selected IRO. During this period, the applicant may also present oral testimony via telephone conference to the IRO. However, oral testimony will be permitted only in cases where the Insurance Commissioner determines that it would not be feasible or appropriate to present only written information.
  - To request a “teleconference,” complete Section VII of the application form entitled “Request for a Telephone Conference” or contact the Department no later than 10 days after receiving notice of the acceptance of the appeal.
- By the 40<sup>th</sup> calendar day after the date the case was assigned to the selected Independent Review Organization, the IRO shall a) review all of the information and documents received, b) render a decision upholding or reversing the determination of the insurer, and c) notify in writing the applicant and the insurer of the IRO’s review decision.

## **What is an Expedited External Appeal?**

Whereas a Standard External Appeal may take 60 days, Expedited External Appeal is available for those persons who would be significantly harmed by having to wait. An applicant may request expedited review by checking the appropriate box on the External Review Application Form and by providing a Provider’s Certification Form, in which the treating provider attests that in his/her medical opinion adherence to the time frame for standard review would seriously jeopardize the patient’s life or health or would jeopardize the patient’s ability to regain maximum function. Expedited reviews must be completed in 72 hours.

If the applicant is pursuing an internal appeal with the insurer and anticipates requesting an Expedited External Appeal, please call the Department at 800-852-3416 to speak with a consumer services officer, so that accommodations may be made to receive and process the expedited request as quickly as possible.

Please note a patient has the right to request an Expedited External Appeal simultaneously with the insurer’s Expedited Internal Appeal.

**What happens when the Independent Review Organization makes its decision?**

- If the appeal was an Expedited External Appeal, in most cases the applicant and insurer will be notified of the IRO's decision immediately by telephone or fax. Written notification will follow.
- If the appeal was a Standard External Appeal, the applicant and insurer will be notified in writing.
- The IRO's decision is binding on the insurer and is enforceable by the Insurance Department. The decision is also binding on the patient except that it does not prevent the patient from pursuing other remedies through the courts under federal or state law.
