Cooperative Agreement for the State of New Hampshire to Support Establishment of the  
Affordable Care Act's Health Insurance Exchanges  
Level One Establishment  
(Consumer Assistance)  
**No Cost Extension Request**

May 8, 2013

Dear Ms. Lumsden:

The New Hampshire Insurance Department is requesting a no cost extension to our Cooperative Agreement for the State of New Hampshire to Support Establishment of the Affordable Care Act's Health Insurance Exchanges - Level One Establishment grant in order to complete the consumer assistance related activities under this award.

The revised timeframe moves the completion date for activities from April 7, 2014 to July 1, 2014.

We are making this request as the process in New Hampshire of accepting the grant funds and approval of vendor contract(s) has taken longer than we expected and we do not anticipate being able to start work on the Consumer Assistance project until early July, 2013.

If you have any questions, please feel free to follow up with me or directly with my staff.

Yours truly,

A handwritten signature in black ink that reads "Alexander K. Feldvebel".
