Re: History of coverage

In the next few weeks you will be receiving a notice regarding an upcoming public hearing relative to the services of the JUA and how they may or may not affect your practice. In an attempt to more clearly define the value the JUA may provide to you, the JUA Board would appreciate it if you would please take the time to answer the following few questions and return your responses in the envelope provided.

Thank you.

1. How long have you been an insured with the JUA?

2. Do you purchase your coverage directly or through an agent/broker?

3. When was the last time you sought coverage outside the JUA?

4. Were you denied coverage at that time and for what reason?

5. If you were offered coverage, why did you choose to get coverage through the JUA?

6. What is your specialty practice or task in healthcare delivery?
