INSURANCE DEPARTMENT**

**In Re: Robin Dinger
Docket No.: Ins. No. 23-039-EP**

CONSENT ORDER

This Consent Order is made between the New Hampshire Insurance Department (“NHID”) and Robin Dinger (“Respondent”), the terms of which are as follows:

FINDINGS OF FACT

1. In November 2023, Respondent submitted an application for a resident insurance producer license.
2. After submitting that application, Respondent informed the NHID that she had approximately ten years prior been convicted of the felony accomplice to forgery.
3. Pursuant to 18 U.S.C. § 1033, that felony is of the type requiring the Commissioner’s assent to be licensed to produce insurance in this state.
4. Respondent then completed a 1033 application and provided supporting materials for consideration by the Commissioner.
5. On December 5, 2023, Respondent met with the Commissioner and other representatives of the NHID and described the circumstances of that felony conviction and her plans for working in the insurance industry.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact and the applicable provisions of law, the NHID concludes and finds the following Conclusions of Law:

- a. The Respondent is subject to the jurisdiction of the NHID;

- b. The Commissioner has grounds to deny Respondent's 1033 waiver application; and
- c. The NHID has grounds pursuant to NH RSA 402-J:12 to deny Respondent a New Hampshire insurance producer license.

ORDER

WHEREFORE, the NHID orders and Respondent consents to the following:

- a. The Respondent waives all rights to a formal administrative hearing in this matter and agrees that this Consent Order shall have the full force and effect of an Order fully entered in accordance with the adjudicatory procedure provided for in RSA Chapter 541-A and Ins Part 200.
- b. For the purposes of resolving this matter without a formal administrative hearing, Respondent agrees to the following:
 - i. That her NH insurance producer license be placed for a period of two years on probationary status;
 - ii. That during those two years of probation, Respondent will provide updates every other month to the NHID as to the status of her insurance production and employment. The first update is due February 1st, 2024, with each update 2 months thereafter on the 1st of the month;
 - iii. That beginning January 1st, 2024, Respondent shall make regular monthly payments of \$100 to the NH Probation and Parole office for the outstanding restitution due in the aforementioned felony conviction, and provide written proof of said payments to the Department at each update as described above;

- iv. That should Respondent be charged with any other crime or administrative action related to an insurance practice or other business practice during the time in which her NH insurance producer license is probationary, any single such event or combination thereof shall be sufficient grounds for the immediate termination of her NH insurance producer license, at the sole discretion of the NHID.
- c. In the event that Respondent fails to meet any of the terms set forth in this section, the NHID may institute further administrative proceedings under the authority of RSA 400-A:15, III or any other applicable law.
- d. By entering into this Consent Order, the NHID and the Respondent intend to fully resolve all issues relating to the above-mentioned matters. This Consent Order shall be deemed a complete settlement and full and final resolution and is in lieu of any other action(s) that has and could have been brought by the NHID relating to these matters. Provided however, notwithstanding the foregoing, the NHID may take any and all appropriate actions should the Respondent violate any provision of the State's insurance laws in the future.
- e. This Consent Order shall be fully enforceable in any Superior Court in the State of New Hampshire, and any actions to enforce this Consent Order shall be governed by the laws of the State of New Hampshire.
- f. This Consent Order is considered a public regulatory action and will be reported to the National Association of Insurance Commissioners. The Respondent must, in the future, answer "YES" to any question which asks "have you ever been

named or involved as party in an administrative proceeding” or any substantially similar question.

IT IS SO ORDERED.
