INSURANCE DEPARTMENT

In Re Douglas A. Bevins
Docket No.: INS 14-018-EP

CONSENT ORDER

This Consent Order is made between the New Hampshire Insurance Department (“NHID”) and Douglas A. Bevins (“Respondent”).

1. The Respondent acknowledges his insurance producer licenses were revoked by the State of Maine, effective November 28, 2012, and the State of New Hampshire, effective April 15, 2013.
2. On January 18, 2014, the Respondent applied to the NHID for relicensure. The NHID denied the January 18, 2014 application for relicensure, and the Respondent did not appeal that denial.
3. On April 17, 2014, the Respondent again applied to the NHID for relicensure, and the NHID again denied the application. However, in this instance, the Respondent appealed the denial pursuant to RSA 400-A:17.
4. An adjudicative hearing in the matter of In Re Douglas A. Bevins, Docket No. INS 14-018-EP, was conducted at the NHID’s offices on July 22, 2014 before Hearing Officer Russell Hilliard. The issue before the Hearing Officer was the NHID’s denial of the April 17, 2014 application for relicensure. The Respondent testified at the hearing and presented other evidence on his own behalf. The Hearing Officer has not yet issued the proposed decision and order pursuant to Ins. 204.26(a).

WHEREFORE, the Respondent freely and knowingly elects to enter into this Consent Order and to abide by the following terms and conditions:

A. The revocation of licensure provided for in the Consent Order of February 27, 2013 shall be held in abeyance.

B. The Respondent shall be placed on probation for a two-year period of "good behavior," beginning the date the Insurance Commissioner executes the Consent Order.

C. During the two-year probation, the Department may conduct necessary periodic investigations or examinations pursuant to the provisions of RSA 400-A:16 or RSA 400-A:37 to ensure good behavior.

D. "Good behavior" shall mean: (1) that the Respondent has not violated any provision of insurance law as determined by the Insurance Commissioner without adjudicative hearing; and (2) that the Respondent shall, within sixty (60) calendar days of the effective date of the Consent Order, submit to Richard P. McCaffrey, the NHID's Enforcement Counsel, a typewritten or handwritten copy of RSA Chapter 402-J, New Hampshire's producer licensing statute, including an affidavit swearing, under penalty of perjury, that the Respondent did personally type or handwrite said copy. (The NHID will furnish to the Respondent an acceptable affidavit form.)

E. In the event the Insurance Commissioner determines the Respondent has failed to conduct himself with good behavior during the period of probation, the Insurance Commissioner shall provide to the Respondent a Notice of Reinstatement of the revocation of his producer license, describing the nature of his determination and how the Respondent has failed to conduct himself with good behavior, together with an affidavit supporting the determination. The revocation shall be permanent.

F. The Respondent shall have the right to file a Motion for Reconsideration of the Insurance Commissioner's determination that the revocation be reinstated. In accordance with the procedure set forth in Ins 204.21, the Commissioner may reconsider, revise or reverse his determination to reinstate the revocation based on the existing record, or if the Commissioner believes further argument or information should be considered, the Commissioner shall issue an appropriate order providing the parties with notice and an opportunity to be heard.

G. Except for the right to reconsideration, the Respondent specifically waives all other due process rights related to the permanent revocation described above in Paragraphs E and F (including the right to an adjudicative proceeding as defined in RSA 541-A but not any hearing that may be allowed during reconsideration), and the Respondent also waives any right to prior notice of the reinstatement of the revocation of his producer license.

H. This Consent Order shall be effective upon the Commissioner's execution of the Consent Order. Once the Consent Order is effective, the NHID will return Respondent's New Hampshire insurance producer license to "active" status.

I. The Respondent agrees to review and update all of his contact information, including but not limited to his business address, on file with NHID within ten (10) calendar days of the effective date of the Consent Order.

J. This Consent Order shall be fully enforceable in the State of New Hampshire in any Superior Court.

It is SO ORDERED
