CONSENT ORDER AND AGREEMENT

FACTS

A. On September 14, 2007, Tracksure Insurance Agency, Inc., formerly known as SAFECO Financial Institution Solutions, Inc., ("Respondent") filed an application for renewal of its non-resident insurance producer license ("Application") through the National Insurance Producer Registry. Respondent's non-resident insurance producer license was initially issued on November 9, 2005. Under Background Questions, the Respondent answered "No" to question 2, indicating that neither the business entity nor any of its officers or directors had been involved in an administrative proceeding regarding any professional or occupational license since initial application. In the Attestation Statement, the Respondent certified that the information submitted on the Application was true and complete.

B.

1. Through the routine licensing investigation, the following information was found on the NAIC I-Site:

On April 1, 2006, the Respondent entered Stipulated Agreement and Order with the Alaska Division of Insurance wherein the Respondent was fined \$47,819.60, with \$36,819.60 suspended, for unlicensed activity during the time its license was in lapse status.

2. Through the review of the Department licensing database, it was determined that the Respondent did not report the Alaska action against its license within the time frame specified in RSA 402-J:17:I.

C. The facts contained in paragraphs A and B above constitutes violations of the following laws:

1. RSA 402-J:12 I, (a) and (b)

"I. The commissioner may place on probation, suspend, revoke, or refuse to issue or renew an insurance producer's license, or may levy a penalty in accordance with RSA 400-A:15, III or any combination of actions for any one or more of the following causes:

(a) Providing incorrect, misleading, incomplete, or materially untrue information in the license application.

(b) Violating any insurance laws, or violating any rule, regulation, subpoena, or order of the commissioner or of another state's insurance commissioner."

2. RSA 402-J:17 I

"I. A producer shall report to the commissioner any administrative action taken against the producer in another jurisdiction or by another governmental agency in this state

within 30 days of the final disposition of the matter. This report shall include a copy of the order, consent to order, or other relevant legal documents.”

AGREEMENT AND ORDER

To resolve this matter, the Respondent consents and agrees to the following Order of the Commissioner:

1. The Respondent knowingly waives the statutory right to notice and hearing on this matter.
2. The Respondent shall pay an administrative penalty in the amount of Six Thousand Dollars (\$6,000.00) to the New Hampshire Insurance Department. This fine shall be paid by check or money order made payable to the Treasurer, State of New Hampshire. The administrative penalty shall be payable upon Respondent's execution of this Consent Order and Agreement.
3. The Department and Respondent agree that all insurance regulatory issues relating to the aforementioned violation are fully resolved. However, nothing herein shall prohibit the use of this Consent Order and Agreement in any future enforcement actions brought by the Department based upon subsequent matters relative to Respondent's compliance with applicable insurance law and/or regulation.
4. This Consent Order and Agreement shall be fully enforceable in any Superior Court in the State of New Hampshire.
