

THE STATE OF NEW HAMPSHIRE

MERRIMACK, SS

SUPERIOR COURT

Docket No. 07-E-0517

**In the Matter of the Liquidation of
Patriot Health Insurance Company, Inc.**

**LIQUIDATOR'S REPORT OF CLAIMS AND
RECOMMENDATIONS AS OF APRIL 14, 2009**

Roger A. Sevigny, Insurance Commissioner for the State of New Hampshire, as Liquidator ("Liquidator") of Patriot Health Insurance Company, Inc. ("Patriot"), hereby submits this report of claims and recommendations for allowance. The claimants are identified and the Liquidator's determinations of Patriot's liability are set forth on the attached Schedule. In all cases where there is a payable amount under Patriot health insurance policies, that amount has been paid to the claimant by or on behalf of the New Hampshire Life and Health Insurance Guaranty Association ("NHLHIGA") so that the amount recommended for admission into the Patriot estate is in each instance \$0.00. The Liquidator recommends that the Court approve the treatment of the claims as set forth on the Schedule pursuant to RSA 402-C:45.

1. This is the second of several reports which will provide recommendations regarding claims against Patriot. This report concerns claims presented on submissions to the claims administrator, EBPA. The notice of the Patriot liquidation approved in paragraph (y) of the Order of Liquidation entered January 18, 2008, advised providers of medical services to Patriot subscribers to continue to submit claim forms and billings to EBPA. Those submissions to EBPA are deemed to be proofs of claim for purposes of the Patriot liquidation.

2. Pursuant to the Claim Administration and Funding Agreement approved by the Court on February 12, 2008, EBPA then adjusted the claims, determined any amounts properly payable under Patriot health insurance policies, and provided Explanations of Benefits ("EOBs") to the provider or subscriber. EOBs issued after July 18, 2008 also contained notice of determination language advising that the claimant could object to the determination by filing an objection with the Court. EBPA has informed the Liquidator that where any claimant contacted EBPA regarding a determination set forth on an EOB, EBPA reviewed the issue and then provided a new EOB as appropriate under the Patriot health insurance policy.

3. EBPA advised NHLHIGA of the amounts properly payable on claims under Patriot health insurance policies. Where the total payable amounts on any individual life are less than the \$100,000 per life cap on NHLHIGA payments under RSA 408-B, the amounts have been paid to the claimant by or on behalf of the NHLHIGA. There are two subscribers on whom provider claims exceed the \$100,000 per life cap. Those claims will be addressed in other claim reports and are not included in the Schedule.

4. The Schedule sets forth the provider's name and address, the claim description, the amount determined by EBPA to be properly payable to the provider on account of Patriot members/subscribers with respect to the billings submitted by the provider to EBPA for services on or before December 31, 2007 (this amount is net of subrogation recoveries and any other known credits), and the recommended amount after payments by or on behalf of NHLHIGA. The claims that are the subject of the Schedule were all timely filed with EBPA prior to the Claim Filing Deadline of July 18, 2008. The

Schedule only addresses claims determined by EBPA on EOBs issued between January 18, 2008 and March 25, 2009. Claims determined after March 25, 2009 will be addressed in a separate claims report, as will NHLHIGA's claim.

5. EBPA and the Liquidator are not aware of any open issues concerning the claims on the Schedule. All EOBs issued since July 18, 2008 contained notice of determination language providing that any objection to the determination must be filed with the Court within sixty days. See RSA 402-C:41, I. Other than the Objection filed by Scott and Mary Fox that was resolved as described in the Liquidator's Response to Objection filed September 29, 2008, no timely objections have been filed with respect to the claims on the Schedule having such EOBs. EOBs issued prior to July 18, 2008 did not include the notice of determination language. However, they are final pursuant to the liquidation closure plan for Patriot, which provides that "[c]laims for healthcare services with respect to members/subscribers within the \$100,000 per life cap on NHLHIGA coverage will be determined as Class II claims as set forth on the EOBs issued by EBPA since January 18, 2008 and denied on the ground that the claim has been satisfied by the NHLHIGA coverage." Patriot Closure Plan ¶ 1(a). The Patriot Closure Plan was approved by the Court on October 10, 2008 after notice had been given to all medical providers who submitted bills since January 18, 2008 to EBPA for services provided under Patriot health insurance policies on or before December 31, 2007. See Affidavit of Service ¶ 3 (filed September 15, 2008).

6. Since the amount payable under Patriot health insurance policies for the claims listed on the Schedule is either \$0.00 or has been satisfied by payment to the

claimant by or on behalf of NHLHIGA, the amount recommended for admission as a liability of the Patriot estate is in each instance \$0.00.

7. In accordance with RSA 402-C:45, I, the Liquidator hereby reports on the claims set forth on the Schedule and recommends that the claims be allowed as Class II claims in the amount of \$0.00 pursuant to RSA 402-C:45, II. The Liquidator submits that the amounts recommended are appropriate and that the priority classes recommended are proper under RSA 402-C:44.

Respectfully submitted,

ROGER A. SEVIGNY, INSURANCE
COMMISSIONER, AS LIQUIDATOR OF
PATRIOT HEALTH INSURANCE COMPANY,
INC..
