**RE:** Implementation of RSA 415-H Stop Loss Insurance

This bulletin is to advise carriers writing Stop Loss Insurance regarding the Department's implementation of RSA 415-H, effective January 1, 2007. The Department expects to begin the rulemaking process this year to adopt rules applicable to Stop Loss Insurance.

The Department's rule will require that the requisite actuarial certifications will cover a calendar year of insurance activity. The certification due on March 15<sup>th</sup> of each year will be for the prior calendar year. The first certification required will be for calendar year 2007 and will be due on or before March 15, 2008.

Until the rule is adopted, the Department will continue to review Stop Loss Insurance policy forms for compliance with the relevant provisions of RSA 415. The new RSA chapter does not change the relevance of these applicable standards.

Questions regarding the policy form standards applicable to Stop Loss Insurance should be directed to Maureen Hartsmith, [Maureen.Hartsmith@ins.nh.gov](mailto:Maureen.Hartsmith@ins.nh.gov). Questions regarding the requisite actuarial certification should be directed to David Sky, [David.Sky@ins.nh.gov](mailto:David.Sky@ins.nh.gov).
