Docket No: INS 20-008-AB

To: All entities operating as Pharmacy Benefits Managers
From: Alexander K. Feldvebel, Acting Commissioner *AF*

Re: Registration of all Pharmacy Benefits Managers – Clarification of Registration Requirements discussed in INS 19-028-AB

On December 19, 2019, the New Hampshire Insurance Department (Department) issued Bulletin INS 19-028-AB (“Registration of all Pharmacy Benefits Managers”) detailing new requirements established by RSA 402-N. The prior bulletin provided a link to the pharmacy benefits manager registration application. The Department has since amended the registration application to remove the requirement that a copy of the contract between the pharmacy benefits manager and health carrier be attached to the application. The pharmacy benefits manager is still required to fill out page 2 of the application for each contract it holds with a health carrier. The Department intends to amend the Ins 2704 Pharmacy Benefits Manager proposed rules to reflect this change.
