**NH Insurance Commissioner to Host 2 Public Listening Sessions in May
Feedback Sought from NH residents on Health Insurance Questions**

CONCORD, NH – New Hampshire Insurance Commissioner Roger Sevigny will host two listening sessions in the state in May to solicit feedback from residents on health insurance issues.

“We are here to serve the residents of New Hampshire, and we hope these public listening sessions will provide an opportunity for them to connect with us and let us know how we can better help them,” Commissioner Sevigny said. “The feedback will be used to help guide the Insurance Department as it works to improve the information and services offered to health insurance consumers in the state.”

The first public information session will be held May 7 from 5:30-7 p.m. at the Hilton Garden Inn, 101 South Commercial Street, Manchester. The second session will be held on May 21 from 5:30-7 p.m. in the Inter-Lakes High School Community Auditorium, 1 Laker Lane, Meredith.

To RSVP, please email danielle.barrick@ins.nh.gov and specify which session you will attend.

The sessions will be an opportunity for the Insurance Department to hear from the public. Commissioner Sevigny will discuss health insurance regulation -- including what the Department does for the public -- and will answer related questions.

The New Hampshire Insurance Department’s mission is to promote and protect the public good by ensuring the existence of a safe and competitive insurance marketplace through the development and enforcement of the insurance laws of the State of New Hampshire.
