### **NH Insurance Department to Host Public Information Sessions on Health Care Networks**

**Concord, NH** – The New Hampshire Insurance Department will host two information sessions this month on the health care provider networks likely to be available through New Hampshire’s health insurance exchange in 2017.

The first session will take place Thursday, June 23, from 10-11 a.m. in Concord, at the University of New Hampshire School of Law, 2 White St. The second will be a webinar, held online on Monday, June 27, from 2-3 p.m.

Both sessions will be free and open to the public. Members of the New Hampshire Insurance Department will share information about the networks proposed by the five insurance companies that have applied to offer plans on the federally facilitated New Hampshire Marketplace in 2016: Anthem Blue Cross Blue Shield, Ambetter from New Hampshire Healthy Families, Harvard Pilgrim Health Care of New England, Minuteman Health, and Community Health Options. The presentation will focus on the types of plans (HMO, PPO, POS, etc.) that will be offered and on the hospitals included in the plans’ provider networks.

“In 2017, New Hampshire residents will again have a variety of networks and plan designs to choose from,” said New Hampshire Insurance Commissioner Roger Sevigny. “Consumers this year have benefited from competition and increased choice on the exchange, and we are pleased to see these marketplace trends continuing into the following year.”
