New Hampshire Insurance Department’s Consumer Services Unit Delivers Results for Granite State Consumers During Fiscal Year 2022

*Consumer Services Unit Educates and Assists Consumers and Investigates
Grievances*

CONCORD, NH (August 16, 2022) – The New Hampshire Insurance Department (NHID) has today released statistics for its Consumer Services Unit for Fiscal Year 2022.

During FY 2022, Consumer Services processed 851 consumer complaint investigations, 3,934 assistance requests and 96 applications for external health review. Consumer Services recovered approximately \$2.29 million dollars for New Hampshire consumers throughout the year.

“The Unit’s mission is simple and consumer centric: educate, navigate and investigate,” said Keith Nyhan, Director of the Consumer Services Unit at NHID. “I encourage any NH resident who believes that they have been treated unfairly by a licensee to contact the Department where a Consumer Services Officer is ready to listen, provide guidance as necessary and advocate for those being unjustly treated.”

The mission of the Consumer Services Unit is to educate residents about insurance products, companies and producers; assist residents who request help navigating the complexities and intricacies of the insurance industry; and work with other Department staff to investigate customer grievances to ensure that licensees, including companies and producers (aka insurance agents), comply with NH insurance laws and rules.

“Our Consumer Services team has over 150 years of combined insurance experience, and I am very proud of the staff’s dedication to their mission,” said Christopher Nicolopoulos, Commissioner of the NHID. “The Unit’s investigators assisted nearly 5,100 New Hampshire residents and facilitated the recovery of nearly \$2.3 million.”

The Consumer Services Unit is divided into two sub-units: Property and Casualty and Life and Health. The Property and Casualty sub-unit provides insurance consumers with assistance by answering questions, investigating complaints, distributing educational materials, and assisting the NH Emergency Management Operations Center during catastrophic weather events. During Fiscal Year 2021, the unit processed 449 consumer complaint investigations, 48 auto body shop investigations, and 1,382 requests for service. On behalf of NH consumers, the sub-unit facilitated the recovery of \$1,281,711.

Additionally, the Life and Health sub-unit processed 352 consumer complaint investigations, 88 health care provider investigations, 2,252 requests for assistance and 96 applications for external health review. The LH Consumer Services Officers responded to consumer complaints and inquiries on a variety of life and health insurance topics, including coverage issues, the impact of legislation, suitability of annuity sales to seniors, and claims concerns. On behalf of NH consumers, the sub-unit facilitated the recovery of \$1,008,413.

“Consumer protection and service is at the heart of our mission at the New Hampshire Insurance Department,” said DJ Bettencourt, Deputy Insurance Commissioner. “We are proud of the hard work of our Consumer Services Unit and their unwavering commitment to helping consumers better understand their insurance products and navigating the complexities of their policies when issues arise.”
