

NAIC House of Cards PSA

(Narrator)

While all Insurance companies should provide the foundation for financial protection, unfortunately some do not. There are fake insurance companies that promise peace of mind when trouble strikes, but actually fall apart like a house of cards when it's time to pay a claim.

Commissioner:

I'm New Hampshire insurance commissioner, Roger Sevigny. Before signing a policy, I urge you to stop, call and confirm with my office to be sure you're dealing with a legitimate company, or go to naic.org.
