Change to the Boiler and Pressure Vessel Inspection law

Effective September 19, 2014 the exemption for private residences was clarified by including the words “used exclusively as” when referring to private residences and apartment houses of less than 3 family units.

To view the full text of the change, please use the link to House Bill 1167 below.

Questions regarding this change should be addressed to the NH Department of Labor Inspection Division. Contact information is below.
