2017 Labor Law Training Seminar Offered

The New Hampshire Department of Labor is offering Labor Law training seminars on how to stay in compliance with NH labor laws. The seminar will be offered on 17 dates in a variety of locations throughout the state. These events are free and open to employers, businesses and the public. These seminars are made possible by the generosity of the businesses donating their establishment's function room to host these events.

Registration opens Monday, February 13, 2017 at 9:00am

If you have 10 or more persons to register, please contact the NHDOL to discuss scheduling a separate training session.
