The New Hampshire Department of Labor is offering a Labor Law training seminar on how to stay in compliance with NH Labor Laws. The seminar will be offered on 18 dates at a variety of locations throughout the state. These events are free and open to employers, businesses and the public. These seminars are made possible by the generosity of the businesses donating their establishment's function room to host these events.

If you have 10 or more persons to register, please contact the NHDOL to discuss scheduling a separate training session.
