Page 11, 1.9

Vendor missed more than 3 scheduled deliveries within a three month span vendor may be penalized an amount up to \$10,000
What constitutes a missed delivery?

Page 25. A-2.3

On-Premise / Off Premise – Please provide definition.

Page 30, 1.D. The loading of trailers are mostly live loads.
Are we to assume minimal drop trailers at ship site?

Page 30, General Requirements, 3

Vendor will be required to deliver to most stores on 48' trailers.

This seems to contradict page 35, section 8 which indicates the daily need for 45' trailers. Can you provide clarification on this. Also, is there a current trailer list available showing size, number and type.

Page 33, section 30., Loads must be secured in such a fashion as to form a unitized pallet. Stretch wrap will be used to unitize the pallet. This is particularly beneficial for stores equipped to receive pallet deliveries....

Are there times that 'pallet delivery' store product is combined with a non-pallet delivery store product on the same pallet.

Page 61, Appendix G.

Please define 'Store Transfers'.

Not on RFP needing answers;

Current hours of operation for Bow, Nassua, and Concord facilities.

Can you ship non NHLCB product with NHLCB product.
