Craig Bulkley, Director
Division of Administration
New Hampshire Liquor Commission
P.O. Box 503
Concord, NH 03302-0503

Dear Mr. Bulkley:

Please accept this letter as a formal request pursuant to RSA 91-A, the Right to Know Law, for the immediate production of all records relating to the New Hampshire Liquor Commission's RFP 2013-14 for transportation services (the "RFP"), including but not limited to the following:

- (1) The complete contract between the Liquor Commission and Exel, Inc.;
- (2) All proposals submitted in response to the RFP, including but not limited to Exel, Inc.'s complete proposal;
- (3) All records relating in any manner to the review, evaluation, and scoring of all proposals;
- (4) All grounds supporting the selection of Exel, Inc. for contract award; and
- (5) All grounds supporting not selecting Law Motor Freight for contract award.

Please note that this request includes, but is not limited to, all oral, written and electronic communications, meeting minutes, notes, and drafts. As you know, the immediate production of the requested information is critical to the substantial and legitimate interests of Law Motor Freight and the public at large. The Liquor Commission's failure to immediately produce such requested information will not only result in significant harm and prejudice to these and other interests, but also constitute a violation of the Right to Know Law, RSA 91-A.
