Case #: 21-513-OF.

CHIEF MARK ARMAGANIAN REPORTED THAT THE LICENSEE REQUESTED AND WAS GRANTED A CONTINUANCE ON OCTOBER 7, 2021; NEW HEARING DATE TO BE DETERMINED.

ASSENTED-TO MOTION TO CONTINUE FILED BY THE DOE AND GRANTED ON 11/5/2021; NEW HEARING DATE NOVEMBER 10, 2021 AT 1:30 P.M.

PRE-HEARING CONFERENCE WAS HELD ON 11/10/2021.

**“DISCUSSION - DISPOSITION:**

The Petitioner alleges that Cheers & Beers License# 1623603 has produced an atmosphere that is detrimental to the health and safety of the public as a result of the investigation into the shooting that occurred inside the premise on September 25, 2021. The investigation revealed, and the licensee has stipulated to the following violations: failing to maintain an orderly premise contrary to RSA 179:51, allowing employees to consume alcoholic beverages contrary to RSA 179:20, allowing patrons to self-serve liquor from liquor bottles contrary to RSA 179:27, allowing patrons to smoke inside the licensed premises contrary to RSA 179:50, and management failing to attend a management training seminar within 45 days of the issuance of a license contrary to RSA 178:2.

The licensee admits to having a lack of experience in the service industry, and acknowledges the policies in place at the time of the incident were inadequate. As a result, the licensee has replaced the general manager with Ms. Snow, who has over 15-years of experience in the service industry, has hired a new chief of security, new security staff, has terminated employees responsible for the consuming of alcohol violations, and has updated its policies and business plan to address the Division of Enforcement’s concerns.

It is also concerning that there was conflicting information presented during the hearing regarding the status of Mr. Edwin Pares’ involvement in the licensed establishment. Lt. Ellston proffered that Mr. Pares is a convicted felon, and no request for a felon waiver was submitted to the Division of Enforcement & Licensing. Although Mr. Simons and Ms. Snow testified he is now only an investor, is no longer a manager, and will not be involved with the operations of the licensed establishment going forward, he is listed as an owner on licensee’s exhibit “A” with a date of November 3, 2021. It is further unclear whether or not Mr. Pares’ felony conviction is merely possession or if it was for distribution of controlled substances. Whether or not Mr. Pares is involved with the business, he is listed as an owner on the business plan, and has money invested in the licensed establishment. This needs to be clarified so the licensee, Mr. Pares and the Division of Enforcement are aware of his status and whether or not he could be eligible for a felon waiver in the future.

The Division of Enforcement recommends license revocation. Liq. 603.02 is relevant to the Division's request, as generally it states if the violation was proven, and in consideration of the danger posed to public health and safety by the violation, the commission shall impose an appropriate penalty considering all circumstances, subject to the limitations of RSA 179:57, I. See generally N.H.Liq.R. 603.02. 179:57 provides that . . ." If any licensee violates any of the provisions of law or any of the rules of the commission adopted under this title or fails to superintend in person or through a manager approved by the commission the business for which the license was issued or allows the premises with respect to which the license was issued to be used for any unlawful purposes or knowingly designates to be in charge of the premises any person who has been convicted of a felony, unless the person has been approved by the commission pursuant to RSA 179:23, V, or otherwise fails to carry out in good faith the purposes of this title or if the premises are regularly the site of violence the license of such licensee may be suspended or revoked after notice and hearing, in accordance with RSA 541-A:31-36. Notwithstanding any other provisions of this chapter, the commission after the appropriate hearing may impose a fine of a specific sum, which shall not be less than \$100 nor more than \$5,000 for any one offense. Such a fine may be imposed instead of, or in addition to, any suspension or revocation of a license by the commission." See N.H.Rev.Stat. Ann. 179:57, I.

In the past, the commission has revoked licenses in which the danger posed to public health and safety was evident, however in those cases there was also a finding those premises were regularly the site of violence, and some of those included circumstances involving firearms. When this hearings officer has imposed such a penalty, evidence was presented showing multiple incidents and calls for service over a period of time. Although that penalty is available and may be appropriate, given the isolation of one incident and the plan proposed by the licensee going forward, I am going to grant an opportunity for Cheers & Beers to retain their license.

### **Penalty**

Pursuant to the authority granted by RSA 179:57 license #1623603 is hereby revoked. However, the revocation shall be held in abeyance for a period of one year on the following conditions and limitations:

1. The licensee's hours of service of alcoholic beverages shall be reduced to no later than 11:00 P.M. for a period of thirty days to allow the licensee adequate time to implement their new policies, new menu, their partnership with "door dash" and adequately train employees.
2. At the end of the 30-day period, the licensee shall provide the Division of Enforcement & Licensing proof of sales documentation showing the food to beverage sales ratio is either 50%/50% or that food sales are projected to reach \$75,000 annually. Following the initial 30 days, the licensee shall provide this documentation quarterly.
3. All employees selling or serving alcoholic beverages shall complete TEAM training within 45 days, and future employees shall complete TEAM training within 45 days of their start date during the one-year period. It shall be the licensee's responsibility to notify the Division of enforcement of new employees required to take this training and proof of its completion.
4. All employees with front of house management responsibilities shall complete MTS training within 45 days and all future employees with front of house

management responsibilities shall complete MTS training within 45 days if their start date during the one-year period. It shall be the licensee's responsibility to notify the Division of enforcement of new employees required to take this training and proof of its completion.

5. Mr. Edwin Pares shall not be an owner, manager or have any responsibilities in the operation of the licensed establishment unless and until it can be shown he is eligible for a felon waiver and receives one from the Division of Enforcement & Licensing, or until his record is annulled. For the time being, his status is limited to a silent investor, as represented by Attorney Sisti, Mr. Simons and Ms. Snow. The licensee shall provide proof of the business arrangement between he and Mr. Pares to the Division of Enforcement & Licensing within 30 days. Should no such proof exist, Mr. Simons shall provide an affidavit confirming Mr. Pares has no controlling ownership interest and no management/person in charge responsibilities for the licensed establishment.

6. The licensee shall not commit any like violations during the one-year period, including but not limited to RSAs 178:2, 179:20, 179:27, 179: 50, 179:51, 179:5, 178:3 and 178:21.

7. The licensee shall comply with the Updated Management Protocols submitted as Licensee Exhibit "A" (copy attached).

8. Failure to comply with any of the limitations and conditions of this decision and order during this one-year period will result in the hours of sale and service of beverages and liquor to be reduced to 10:00pm immediately upon written notification from the Division, and will remain in effect until such case is adjudicated. If such violation is proved by the Division of Enforcement, after a hearing the imposition of a fine of a minimum of \$2,000, not to exceed \$5,000, and immediate license revocation will be imposed.

So Ordered this 18th day of November 2021".
