SCOPE AND METRICS

This report is a summary and description of the activity recorded by the Division of Enforcement and Licensing for June 2021. This review provides a comprehensive appraisal of work completed by personnel within the Division - Civilian and Sworn. The Division has developed this report as a way to track and assess this activity on a regular basis to recognize areas of success and to identify areas that require additional attention.

The data for this report is sourced from multiple systems utilized by the Division of Liquor Enforcement

A number of data points are important and necessary for completion of this report. These metrics include, but are not limited to:

- Call for Service (CFS) number
- CFS Date and Time
- Location Information (County, City/Town)
- Licensee Number
- CFS Reason(s)
- Disciplinary Action code(s)

Additional data points not stored within the RMS are required as well. These items include:

- Active Case Updates
- Administrative Fines
- License Information & Totals
- Petitions Made by Licensees

DIVISION METRICS

REVENUE

Through the regular course of business, the Division of Enforcement & Licensing is responsible, and in many cases required, to collect fees from licensees. The most commonly considered fees in relation to the Division are those attached to the issuance and/or renewal of a license to sell alcohol and/or tobacco in the State of New Hampshire. These fees are highlighted in RSA 178:29. The Division is also charged with collecting the fees proscribed in 178:26. This RSA establishes the \$.30 fee on each gallon of beer produced per month by licensees. Division staff also collect Liquor (178:6) and Wine (178:8) fees each month.

Summary

In June 2021, the Division collected \$1,735,849.51 in revenue. Beer Taxes accounted for the majority of this revenue and totaled \$1,121,882.61. The Division also collected \$358,511.00 in Renewal Fees. In all, there were six different categories that each saw more than \$10,000 in fees collected.

Over the past six months, monthly revenue totals have trended slightly upward. June saw a slight incline after May's revenue increases.

TOTAL CALLS FOR SERVICE

All activity completed by the Division is stored within the RMS as a Call for Service (CFS). This goes for both Civilian and Sworn personnel alike. This section of the report summarizes the number of CFS instances during June 2021. In addition, CFS totals by Civilian and Sworn staff fall into their respective areas of responsibility, providing a snapshot of work undertaken in this timeframe.

During June 2021, the Division recorded 1144 calls for service. The most commonly visited licensee type was *Restaurant* with 737 entries. In total, there were 44 different service codes utilized, with *Inspection-Premise Check* accounting for the most common type with a total of 612 entries.

In June, Total Calls for Service saw a significant drop from the previous five month's totals.

Each New Hampshire County had Calls for Service during June 2021. Rockingham County had the most with 285 of the total records. Coos County had the fewest with 32 records. Including those Out-of-State CFS entries, the average per-area CFS total was 104 with three Counties in New Hampshire above this average.

During June 2021, Enforcement and Licensing Personnel serviced 205 different municipalities throughout the state, up from 191 in May 2021. Of these, the 10 cities & towns visited most are as follows:

• Laconia	197	• Manchester	145
• Hampton	104	• Seabrook	55
• Portsmouth	53	• Nashua	44
• Concord	31	• Merrimack	29
• Salem	25	• Claremont	20

ADMINISTRATIVE

CALLS FOR SERVICE – CIVILIAN PERSONNEL

The number of Calls for Service among Civilian personnel fell slightly again in June to a total of 47 and remain below norms.

LICENSING

The Division is responsible for issuing all liquor and tobacco-related licenses in the State of New Hampshire. The records associated with these licenses are stored in a shared DOIT-managed system called MyLicense Online (MLO). MLO is a web-based system that the Division utilizes to create, maintain and categorize all records related to the 49 different license types.

At the end of June 2021, there were 5876 entities licensed for the sale of alcohol and/or tobacco products in the State of New Hampshire. The most common license type was *Restaurant* with 1463 licenses on file at the end of this month. The next most common were *Combination* licenses with 1412, followed by *Direct Shipper* permits with 1357.

Data for the past six months shows a gradual but fluctuating, increase in the number of total licensees in the State of New Hampshire. The June total licensee count continues a multi-month increase but at a slower pace than the previous two months.

New Licensees

During June 2021, from the commission reviewed and approved 94 new applications for alcohol related licensees. Of the 18 different license types applied for, the most commonly applied for license types were *Restaurant* with 27 approved applicants, *Combination* with 25 approved applicants, and *Beverage Vendor* with 11 approved applicants.

Petitions Made by Licensees

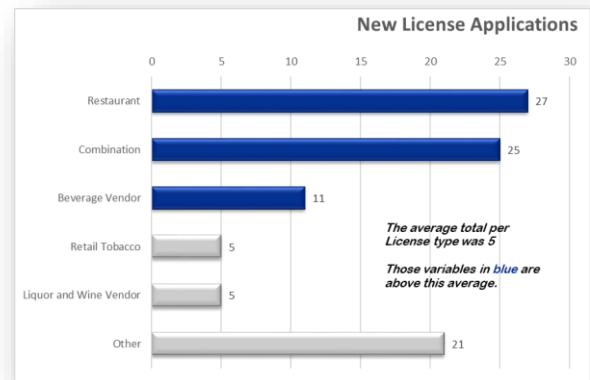

In the course of business, licensees June find that they need to make changes or accommodations that were not a part of their initial license application. This could be a temporary or permanent outdoor location, the addition of a new type of beverage, or even a modification of the licensee's premises. In any instance where a submission of a petition occurs, the Division reviews each petition prior to a final review during the Commission's Weekly Agenda Meeting; this is where recommendation for either approval or denial occurs. The Chairman and the Deputy Commissioner then vote upon that recommendation.

In June 2021, the Division approved 29 petitions. There were 24 requests approved for *Approval for Extension of Service Area* while requests for *Approval for Increase in Capacity* was approved three times and *Authorization for Other Areas* was approved two times during this month.

Licensing Help Desk

The Division's Licensing Help Desk's mission is to work with and assist members of the public as they attempt to obtain or renew a license, modify an existing license, or in closing out a license that is no longer in use. Civilian personnel at the Licensing Help Desk include one full-time licensing specialist and two part-time licensing support staff members. An export of User Activity from the MLO system provides a count of all Licensing Personnel activity. Additional Licensing-related work completed by non-Help Desk personnel is also captured here.

Based on the information found in MLO's User Activity report, there were 1808 transactions recorded by Division personnel during June 2021. Activities related to license renewals (*Generated, Received, Processed*) accounted for the most activity within the Help Desk with 1150 total transactions counted.

June saw a significant rebound in total transactions processed by the Licensing Help Desk accelerating the upward trend over the past six months.

Feedback

Of the 14 survey responses received by the Licensing Department in June 2021, 100% found the processes and personnel to be effective and efficient.

AUDITING AND DIRECT SHIPPING

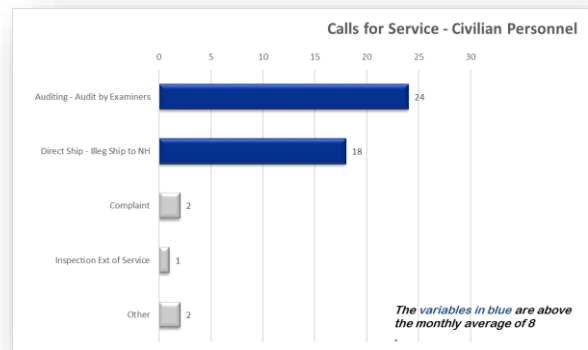

The Division maintains a unit dedicated to dealing with issues around Auditing and Direct Shipping activities within the State of New Hampshire. This unit consists of one Supervisory Auditor, two Field Auditors, one Direct Shipping Auditor and one support staff member. These individuals handle issues related to the following license types among others:

- Beverage Wholesalers
- Direct Shippers
- Beverage Manufacturers
- Alcohol Consultants
- Liquor/Wine Vendors
- Nano-Breweries
- Liquor/Wine Representatives
- Wine Manufacturers
- Carriers
- Liquor Manufacturers
- Warehouses
- Rectifiers

Auditing: Licensee Compliance & Oversight

In addition to the Calls for Service recorded in the Division's RMS, there are a number of other metrics captured by the Auditing and Direct Shipping personnel. These metrics afford a more-complete view of the tasks and responsibilities delegated to these small but important units, which serviced 5859 different licensees in June 2021.

Auditing and Direct Shipping Civilian Personnel recorded 47 calls for service during June 2021; this is down from the 50 recorded the month before. The most common Service Call type with 24 entries was *Audit by Examiners*.

In addition to the Calls for Service recorded in the RMS, the Auditing staff completed 925 Product Approval-related tasks. This metric continues to trend significantly above totals from prior months and years. Personnel received and processed 464 separate departmental requests in June 2021.

Feedback

Of the 8 survey responses received by the Auditing Department in June 2021, over 79% found the processes and personnel to be effective and efficient.

Direct Shipping: Taxes, Applications and Carrier Reporting

On top of the Calls for Service recorded in the Division's RMS, there are a number of other important metrics captured by the Direct Shipping personnel. These metrics afford a more complete view of the tasking and responsibilities delegated to this small but important Unit. Because of operational cycles, revenue collected and processed in June is from transactions originating in the month prior.

During June 2021, the Direct Shipping personnel collected \$133,787.54 in revenue as part of the State's program for out of state suppliers. A total of 632 checks were processed during the month.

Direct Shipping personnel also processed 135 Renewal Applications during June 2021. Furthermore, there were seven New Applications processed.

The processing of Carrier reports in June 2021 ensured that all Direct Shipping permittees are adhering to the State of New Hampshire's rules and guidelines. Out of these reports, there were a total of 40 improper or illegal shipments into the state with 11 notification letters of Illegal Shipment sent to Direct Shippers in June 2021. Staff added 13 companies to the State's

Seizure list, while there were 20 companies removed from this same list. The statistics for the authorized carriers are as follows:

<i>Carrier</i>	<i># of Packages</i>
<i>FedEx Express</i>	585
<i>FedEx Ground</i>	5270
<i>UPS</i>	5125
<i>Total</i>	10980

Historical data shows that the number of packages shipped into the State of New Hampshire is trending lower over the last six months.

Feedback

Of the one survey responses received by the Auditing Department in June 2021, 100% found the processes and personnel to be effective and efficient.

TRAINING AND PUBLIC OUTREACH

The Division of Enforcement & Licensing is committed to providing superior educational programs for licensees and employees that focuses on proper sales/service of alcohol or tobacco and for parents, students, local communities, and enforcement personnel that encourages responsible alcohol consumption. The Division's goal is to serve the citizens of New Hampshire through its educational training efforts and move closer to achieving the Division's overall goals; reducing the number of alcohol related incidents.

Summary

During June 2021, there were 839 attendees for in-person, virtual, and online classes/certifications offered. The Division took part in two Public Program Events during the month reaching 11813 attendees.

Feedback

Of the 59 survey responses received by the Training and Outreach Department in June 2021, over 97% found the processes and personnel to be effective and efficient.

ENFORCEMENT

CALLS FOR SERVICE – SWORN PERSONNEL

During June 2021, the Sworn Personnel within the Division tallied 1097 calls for service. Of these entries, *Inspection-Premise Check* was the most commonly used type with a total of 355 entries.

The number of Calls for Service among all Sworn had been trending higher over the last six months. June has seen a marked decrease in Calls for Service by Sworn Personnel.

Field Investigators

The Division has a number of Investigators assigned to the field. In an attempt to provide uniform coverage across the State of New Hampshire, Investigators work in two separate teams, each of which cover different geographical areas.

Field Personnel recorded 921 calls for service during June - down from the 1680 recorded the previous month. The most commonly reported CFS type was *Inspection - Premise Check* with 347 instances.

Special Investigations Unit

In addition to the Field Investigators, the Division has three Investigators who work in the Special Investigations Unit (SIU). These members of the Division will work cases across the State, not just within a set geographical area.

SIU Personnel recorded 168 calls for service during June 2021; this was down from the 265 documented in May. Of the 12 different CFS in June, various Compliance Checks accounted for the most calls with 82.

Administrative Sworn Personnel

The Division has three Sworn personnel members who work primarily out of Headquarters. These three individuals are a Field Operations Lieutenant, an Administrative Lieutenant, and a Staff Sergeant. Their main duties center on managing most of the Division's Civilian personnel and their respective units.

The three Administrative Personnel recorded eight calls for service during June 2021, down from the 13 in May.

TOTAL ARRESTS

In the course of their statutory duties and responsibilities, Sworn personnel are sometimes required to cite individuals for violations of New Hampshire law (with a primary focus on RSA Title XIII and RSA 126-K). The reason for these events can vary, and this section will identify these actions that occurred during June 2021.

Summary

There were 24 individuals cited during June 2021. Of these, 20 individuals were issued a Summons. Additionally, there were four individuals taken into temporary custody due to statutory requirements.

COMPLIANCE CHECKS

Compliance checks have been used as an educational tool throughout the state for several years, and are an important part of the enforcement of the Prohibited Sales statute in New Hampshire (RSA 179:5). Investigators will obtain a list of licensees within a municipality and with the aid of a Division-Approved Underage Buyer, the Investigator will go site-to-site to ensure that all licensees assessed for compliance are in fact adhering to RSA 179:5.

Summary

During June 2021, there were 1254 Compliance Checks conducted. Of these, 479 were for *On-Premises Alcohol Sales* and 348 were for *Off-Premises Alcohol Sales*. There were 121 *Tobacco Sale* compliance checks during the month. In total, there were 159 illegal or improper sales made during these checks.

COMPLIANCE ACTION TAKEN

Whenever an investigator/licensing specialist/examiner discovers a violation of administrative rules enforced by our Division which requires administrative action be taken, the investigator/licensing specialist shall be responsible to follow the case through to its completion. Investigators shall make a recommendation for administrative action consisting of either a verbal or written warning, administrative fine, or suspension of the license.

In the case of an Administrative Notice, personnel will document that corrective action is required. In addition, some form of punitive action occurs; a fine or mandatory education of a licensee's staff are a pair of examples. A Verbal Warning is a way of keeping a record that corrective action is required, though in a way that does not carry a punitive measure (i.e. no fine). This section summarizes all instances of compliance actions taken during June 2021, a breakdown of the different types, and a tally of the fines issued.

Summary

During June 2021, personnel logged 45 Compliance investigations. Of these, 18 cases are still ongoing. Of the 17 cases that were closed, 9 resulted in the issuance of a verbal warning, three saw a verbal counsel issued, and five administrative notices were issued.

Fines

During June 2021, a total of \$1,125.98 in Administrative Fines were issued. These came from five separate instances from four different licensee types. Two of the licensees were *Restaurant licenses*, with *Beverage Manufacturer*, *Combination*, and *Social Club* licensees receiving one fine each.

NON-TITLE XIII ACTIONS

During the month of June, Investigators responded to two life-safety related situations not associated with a licensed premise, New Hampshire Liquor and Wine Outlet, or a Title XIII investigation.

CASE DISPOSITION

Investigators maintain caseloads respective to their assigned areas of responsibility (North, South, and Special Investigations). These metrics are comprised of active case investigations and those investigations closed during the current calendar year; investigations initiated in prior years June be included in these metrics.

By the close of the month of June 2021, there were 12 open cases in active investigation by Field personnel. During the month, investigators closed 14 total cases, while six cases had no criminal nexus, two cases were suspended, and two case was based on unfounded claims.
